

**PERSONNEL**Summer School Teachers

The minimum qualifications of summer school teachers shall be the same in all respects as those required of teachers for the regular session.

In making teaching assignments to the summer school, the administration shall give priority to full-time staff members. All other qualifications being equal, seniority in the Stafford County School Division shall be the deciding factor.

All summer school teachers shall be paid an hourly rate as determined annually by the school board.

Adopted by School Board: March 24, 1987
